Subject: Bay-Delta: EPA HQ meeting

Tuesday, February 5, 2019 – HQ Meeting with Friant Water Authority (CA) - Water Quality for Sacramento-San Joaquin Delta:

The HQ meeting with the Friant Water Authority (CA) will take place on Tuesday, February 5, 2019 from 3:30pm – 4:00pm ET. Jason Phillips, Chief Executive Officer of the Friant Water Authority (FWA) of California, and the Chairman of the Authority's Board of Directors, will provide an update on the ongoing discussions among federal and state entities regarding operational and ESA issues in the Sacramento-San Joaquin Delta, and water quality actions proposed by the State Water Resources Control Board.

The Authority is a public agency comprising 15 public irrigation districts, water districts, and municipalities representing a majority of the agricultural and urban water agencies served by the Central Valley Project's Friant Division, which provides water to farms and communities on more than one million acres in the San Joaquin Valley.

Attendees include: Chris Tantau, Chairman, FWA Board of Directors; Director of Kaweah Delta Water Conservation District; Jason Phillips, Chief Executive Officer, Friant Water Authority (FWA); Jeevan Muhar, Engineer/Manager, Arvin-Edison Water Storage District; Alexandra Biering, Government Affairs and Communications Manager, FWA; Joe Raeder, Washington Representative, FWA; and Chris Kearney, Washington Representative, FWA.
